Verify

*For a better user experience, please follow instructions on Page 2 to enroll in Okta Verify MFA.

As of 4/22/20 - v1.3

Quick Start Guide

Okta Verify MFA Enrollment

Sign-On to SE-ICAM by following the instructions on the previous page:

- 1 Click the drop down with your name on the top right of the page, then "Settings"

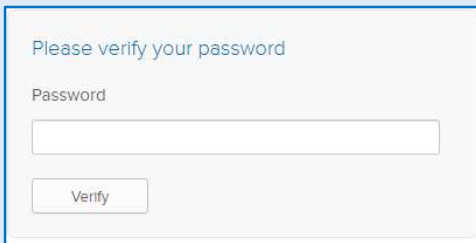

- 2 Select "Edit Profile"

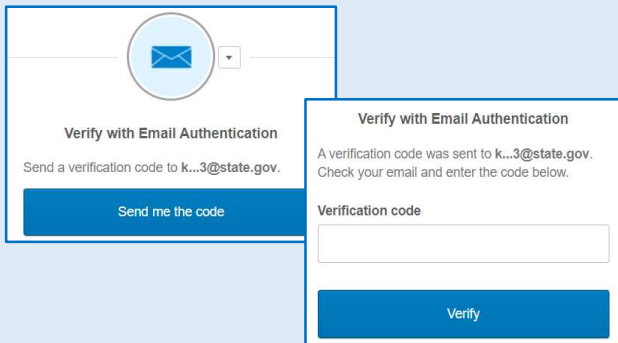

Note: If you do not see Edit Profile button, skip to step 5.

- 3 Enter your OpenNet password and select "Verify"

A screenshot of a form titled 'Please verify your password'. It has a 'Password' input field and a 'Verify' button.

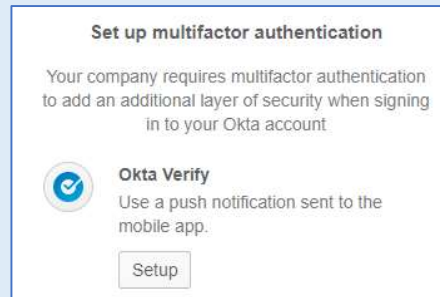

- 4 Click "Send me the code" and enter the 6-digit code sent to your DOS email

A screenshot showing two overlapping windows. The top window is titled 'Verify with Email Authentication' and has a 'Send me the code' button. The bottom window is also titled 'Verify with Email Authentication' and shows a message: 'A verification code was sent to k...3@state.gov. Check your email and enter the code below.' It has a 'Verification code' input field and a 'Verify' button.

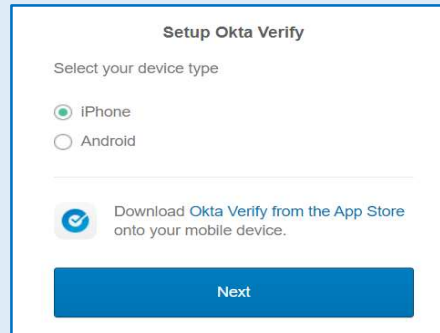

- 5 Under "Extra Verification", click "Set up" next to Okta Verify

- 6 Click "Setup"

- 7 Select your device preference & click "Next"

- 8 Scan the unique barcode in your web browser
